CHECKLIST

Choosing a dining table for a small room

- [ ] Measure the room and mark where the table will go
- [ ] Subtract clearance from each side to find the maximum table size
- [ ] Decide how many people it seats daily and occasionally
- [ ] Choose a shape that suits the room layout
- [ ] If you need flexibility, prioritise an extendable mechanism
- [ ] Measure the extended table against the room before buying
- [ ] Check where the legs or base sit when extended
