CHECKLIST

Your maximalist interior checklist

- [ ] Choose a palette of three to five colours including at least one saturated tone
- [ ] Paint or paper walls in a bold choice that anchors the room
- [ ] Layer three patterns of different scales in cushions, throws or rugs
- [ ] Fill one wall with art, frames touching or nearly touching
- [ ] Introduce textural contrast through varied fabrics and materials
- [ ] Add a large-scale element such as a bold rug or floor-to-ceiling curtains
- [ ] Display collections openly on shelves, walls or surfaces
- [ ] Check for colour repetition across patterns to create cohesion
- [ ] Distribute visual weight evenly around the room
- [ ] Edit for balance, not minimalism, keeping what contributes to the mood
